AMENDED IN ASSEMBLY APRIL 6, 2006

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 2711

Introduced by Assembly Member Parra

February 24, 2006

An act to amend Section 33521 of the Financial Code, relating to payment instruments.

LEGISLATIVE COUNSEL'S DIGEST

AB 2711, as amended, Parra. Payment instruments.

Existing law, the Payment Instruments Law, governs the sale of payment instruments, as defined. Existing law, among other things, prohibits a licensee, as defined, or its agents, as defined, from selling any payment instrument unless the payment instrument is approved as to form by the Commissioner of Financial Institutions. Existing law requires the commissioner to approve an application as to form of a payment instrument to be issued by a licensee if the commissioner makes specified findings.

This bill would—make technical, nonsubstantive, and conforming changes to that provision revise these provisions to remove the requirement that the commissioner approve those payment instruments as to form. The bill would prohibit a licensee from selling any payment instrument unless the payment instrument meets specified requirements.

Vote: majority. Appropriation: no. Fiscal committee: no-yes. State-mandated local program: no.
